

Ainetor, ep.

190-180?

Hiller: '220-180. Häufig.' from occurrence in Pergamon. (No exact parallel with ours but similar apparently.)

Agora context: in various 'Hell. fill's chiefly from ~~Q~~ where they occur with Rh and early Kn handles.

internal evidence: b.b.alpha SS 511 and perhaps 507; cross-barred theta 5778. Rose stamps (1515, 1726) like those of Damokrates (Hesp. III, 3, nos. 91-2).

N. 31

Handles probably all angular.
