Lyon, le 1^{er} Octobre 1874

Très honore' Monsieur,

J'ai garde' les bois que vous nous avez remis
bien longtemps, et j'en suis confus. Malheureusement
je n'avois pu me occuper de ces recherches depuis
plusieurs mois. J'ai été cette année éprouvé
par des malheurs de famille affreux. Après
avoir perdu ma femme j'ai perdu ma
mère il y a peu de temps. Ces terribles
épreuves m'ont rendu gravement malade.
Depuis quelques temps cela va mieux
et j'ai déterminé les bois que j'envoie
à l'adresse de M^r. Burmouf aujourd'hui
par les Messageries Maritimes.
Ces bois sont du Cervus Dama qui se
trouve encore aujourd'hui en Asie
mineure; et qui dès la plus
haute antiquité paraît avoir été

à moitié domestique. Dans ce pays,
dans des Parcs comme cela a encore
lieu en Angleterre.

(Chalcocondylas De reb. Tur. I. XI)
édit. Bon. p. 486

Les bois à une seule pointe sont les
Dagues ou premiers bois de jeunes
animaux. Les autres sont des
bores & bois adultes. Ces bois
indiquent des animaux de petite
taille.

Ces recherches sont vivement
intéressées et je vous suis
entièrement reconnaissant de

65(c)

me les avoir permis.

Je vous remercie encore de tout
ceux pour la manière aimable
avec laquelle vous avez bien voulu
vous souvenir à Athènes et je vous
puie agréer l'assurance de ma très
haute et respectueuse considération.

Docteur Lortet.

Mon cher frère!

La lettre du 27 du mois passé
m'a fait énormément de plaisir
parce que je vois que vous vous
portez bien et que peut-être
vous viendrez habiter le nouveau
la bonne ville de Paris, car
tu seras près de nous.

Je me procurerai ton article
en réponse au travail qu'a écrit
M^r Vivien de St Martin contre
toi.

J'ai lu des fragments de
ton voyage dans le Nord de
la Grèce; malheureusement je
ne peux pas me procurer ici
la gazette d'Augsbaurg.

Puisse ton procès avec la
Turquie être bientôt fini à souhait
& ton voyage se faire aussitôt après.

M^r Wandering se fera une
fête de te saluer à Paris;

il

il t'attend.

Madame Schliemann doit
être bonne écuyère, ayant
passé un mois à cheval; du
reste elle avait pris des
leçons d'équitation à Paris
déjà. Vaillie lui présentera
tous mes respects.

Notre sœur Ellenchen
me dit dans sa dernière lettre
qu'elle ne t'a pas écrit depuis
quelque temps, parcequ'elle te
savait absent.

Nous avons cette année
une récolte abondante de Vins
et de fruits.

Bonne santé, cher frère,
et dans l'espoir de te lire
bientôt je te serre la main
cordialement

ton frère fidèle
E. Schliemann

THE MICHIGAN CENTRAL REPORT.

[From the Railroad Gazette, New York, Aug. 8, 1874.]

Doubtless this report for the last fiscal year (ending with May last) will be disappointing to the stockholders. Two years ago the net earnings were not quite enough to pay the usual half-yearly dividend of 5 per cent. for the last half of the year though it was paid, "it being thought better to make up the amount from the surplus than to interrupt the regularity of dividends, as it is probable that the earnings will be sufficient hereafter." But the next dividend was paid in stock, and for the three half-years following, including the last, no dividend has been paid. It was in the report referred to (for 1871-'72), that the president set forth the circumstances which had limited earnings and increased the proportion of working expenses, and explained the necessity of costly improvements to enable the road to do its work at a reasonable profit. He then said that such improvements would probably enable the road to do its work at an expense of not more than 60 per cent. of the receipts, instead of 70.

Last year, the improvements having been vigorously prosecuted meanwhile, and the stockholders having received one dividend in stock while the other was passed, Mr. Joy gave an admirable account of the circumstances which had for the time rendered the stock unproductive, including the absolute necessity of improvements to lessen the cost of transportation, in order to save the company from ruin, and the circumstances which had influenced the management in leasing the numerous new branch lines, most of which were and are unprofitable. This latter policy has been much criticised, and Mr. Joy's defence of it was very striking. (The reader may find the points of it set forth on page 308 of our last volume.) The proportion of working expenses and taxes meanwhile had fallen from 71 to 68 per cent. for the whole system, and from 70 to 66 per cent. for the main line, on which the improvements were made, and with the increasing traffic, which the road was then prepared to carry cheaply, it was reasonable to suppose that the stockholders would very soon receive dividends again.

But the last report shows that while, in spite of the panic, the road has earned more than ever, the working expenses have risen from 68.3 to 72.3 per cent. for the whole system and from 66 to 68 per cent. on the main line, and the net earnings have fallen off by nearly 9 per cent. This is certainly an unsatisfactory result after the costly additions to the property which were of course intended to add to its profits, and there will doubtless be some who will claim that after all no economy has been secured by the millions which have been expended for second tracks, steel rails, new sidings and large additions to the equipment. Nevertheless, Mr. Joy was right, and his report shows it, although it does not, perhaps, present the fact in the clearest manner.

The confusion arises from considering the ratio of expenses to earnings as the criterion of cheapness and economy. It is nothing of the kind, as we have shown before. This proportion depends on two things; one, the cost of doing the work, which is the element in which economy or extravagance is shown; the other, *the price received for the work*, which has no necessary relation to the cost. Last year the Michigan Central carried freight on its main line at an average expense to it, exclusive of taxes, of 0.35 cents per ton per mile. Now if it had received 1.98 cents per ton per mile, as it did in 1869-70, these working expenses would have been but 43 per cent., instead of 65.4, as they were, the actual average receipt being only 1.30 cents per ton per mile, which is little more than the expenses were in 1870. The fact is, the economy, so far as freight traffic is concerned, has been all that could have been reasonably expected, *but the public and not the company has received the benefit of it*. Shall, then, the stockholders say that it would have been better to have left the road as it was and done less work at the old higher cost and the old higher prices? The old higher prices, indeed! If the company could have in any way kept up prices we may be sure that the stockholders would have had no cause of complaint, and doubtless would never have thought of complaining; but the company, like all others situated as it is, has had to take what it could get, and this is a lower freight rate than has ever been reported by any company in America heretofore, with the exception of one which does not earn the interest on its bonds.

Taking then the true criterion, the average expense per unit of traffic, and not the deceptive one, the ratio of expenses to earnings, we will be able to see whether the improvements have effected any reduction in the cost of doing the company's work. As the reports do not give the passenger mileage, we can only make a statement for freight, but as there has been comparatively little change either in the bulk or the earnings of passenger traffic for nine years, this is not so much to be regretted.

The expense per ton of freight hauled one mile on the main line of the Michigan Central Railroad for ten years has been:—

| 1869..... | 1.23 " | 1874..... | 0.85 " |

Thus the cost of hauling freight has been reduced just one half within ten years on this road, and the reduction since 1870, when the improvements were fairly begun, has been 39 per cent., and for the last year alone, when the improvements were so far completed as to have most of their effect, it was no less than 15 per cent. Being accompanied by a reduction of more than 17 per cent. in the average rate received, of course the net earnings do not show such saving. Doubtless the economy is not entirely due to the new improvements as for two-thirds of the year the lower cost of labor and materials has had a considerable influence on the expenses. But the company's managers have certainly justified their action in making the expenditures for improvements, and proved their statement that with such improvements the cost of transportation would be reduced. The cost per ton per mile for last year is less than has ever been reported before in this country, that on the Pennsylvania and branches, for 1873, which is nearest it, having been 0.857 cent. As the Michigan Central reports only for its Main Line, however, the comparison is not a fair one, and not improbably several roads besides the Pennsylvania would show expenses quite as low, or even lower, were the main line traffic reported separately.

As our summary of the report shows, the increase in traffic has been really enormous, but has been almost entirely in a single branch, and that the least profitable—namely, through freight eastward, for which only 1.09 cents per ton per mile was received. There was a small increase in passenger traffic, which under the circumstances is very creditable, but in the branch of freight traffic named the increase in tonnage mileage has been nearly fifty per cent., and it amounted to no less than seventy per cent. of the entire freight traffic. Of the entire tonnage shipped two-thirds was received at Chicago, and as the Chicago shipments for the most part pass over the whole length of the road they gave doubtless a much larger proportion of the entire tonnage mileage.

As for the future of the road, it depends, as we have seen, quite as much on the rates which it will be able to charge as on the cost of transportation. The latter has been reduced to an extremely low figure, and with the rates of 1872-3 would have left net \$2,256,500 from freight alone, or nearly \$850,000 more than the actual net earnings from freight. Very probably rates will not reach the figures of 1872-73 again, but they may be higher than last year, and moreover the road may and probably will have a large increase in traffic, which it is now well prepared to handle with the help of some additional rolling stock. An increase of 20 per cent. in the main line freight traffic without change from last year's rates or expenses would give net earnings enough to pay a ten per cent. dividend. Last year the increase in this traffic was nearly 30 per cent. A comparatively small increase in the average rate coupled with a small increase in traffic will make the net earnings sufficient to pay the old 10 per cent. dividends. That there will be an increase in traffic seems altogether probable; whether the rates will improve or no we dare not conjecture.

The Chicago, Dubuque and Minnesota, and the Chicago, Clinton and Dubuque RAILROAD COMPANIES.

Plan proposed for Funding Coupons and Completing and Reorganizing the above Roads:—

1. Make agreements, including leases of the Roads, with Chicago, Burlington and Quincy Rail Road Company to complete the Roads,—the letting to be for three years, or for a shorter period if the Chicago, Burlington and Quincy shall be earlier reimbursed from the assets of the Roads which are to be furnished them, and the net earnings of the Roads, for all sums and credits used by them in the completion of the Roads, with interest at the yearly rate of seven per cent. The terms of the agreements and leases to be such as are approved and assented to by the Trustees who are to receive, and hold the detached coupons.
2. Make agreements between the Roads and said Trustees in behalf of the bondholders, owners of the detached coupons, by which the future net income of the Roads respectively, after the termination of the respective leases to the Chicago, Burlington and Quincy as aforesaid, shall be first applied to the payment of the coupons thereafter accruing, and the surplus to the payment of the scrip issued for the amount of "deferred coupons," with interest at six per cent., subject to the right, however, if it shall be deemed by said Trustees for the interest of the bondholders, to use any part of said surplus that may at any time be necessary for equipments and improvements, and also to create an equipment mortgage, secured on any new equipment, the interest of which shall take precedence of all payments on account of the "deferred coupons." The details of such agreements to be such as are satisfactory to said Trustees.
3. To enable the Trustees to secure and give full effect to the preceding articles, the majority of the stock in both Roads is to be placed in their hands, to be retransferred to the owners thereof whenever the Trustees shall deem it wise and safe, and at all events after five years from this date, at the request of a majority of the Bond and Scrip holders.
4. Scrip to be issued for the "deferred coupons," the principal and interest of which are only to be paid from out of the surplus fund as before provided.
5. At the expiration of the leases to the Chicago, Burlington and Quincy, of each Road respectively, the then unmatured coupons of the bonds of that Road, but not including coupons which then have less than six months to run, are to be restored to the parties placing them in the hands of the Trustees, and scrip for the amount of the other coupons then remaining in the hands of the Trustees, (being coupons then over-due or having less than six months to run, and herein called "deferred coupons,") bearing six per cent. interest, shall be delivered to and received by the persons depositing such "deferred coupons," with the Trustees, in lieu thereof;

such amounts and the form of such scrip to be adjusted and settled in a manner satisfactory to the Trustees, but payable only from the source herein provided, and the "deferred coupons" to be thereupon returned by the Trustees to the respective Roads to be cancelled; or they may be retained and used by the Trustees if they shall deem it advisable for the protection of the scrip.

6. The traffic contract with the C. B. and Q. to be modified temporarily by fixing the maximum they are liable to pay for bonds at par, less the amount of any unmatured coupons in the hands of the Trustees at the time of any such purchase. The advertisements to be for bonds with coupons cut off up to a certain date, and when the leases shall respectively terminate, this modification shall end and the original contract be in full force.

7. It shall be the duty and right of the Trustees to employ a suitable person as auditor and inspector, to supervise the execution by the C. B. and Q. of the agreements to be made with them, including the work done and monies paid by them, and to make report thereof from time to time when requested by the Trustees for the information of themselves and the Bondholders; the salary of any such person and any expenses incident to the Trust shall be paid as part of the operating expenses of the Roads.

8. Any new Trustee appointed at any time to fill any vacancy in the Board of Trustees occurring by resignation, death or other cause, shall have the same powers as the person whose place he fills, and the agreements to be made under Article 2d may provide how any such vacancy is to be filled.

Boston, October 2, 1874.

BOSTON, OCTOBER 2, 1874.

At a meeting of the Bondholders of the Companies named above, held this day, the proposed plan was unanimously adopted, and the following named Trustees chosen, JOHN M. FORBES, CHARLES P. BOWDITCH and EDWARD W. HOOPER.

SIDNEY BARTLETT, *Chairman.*

F. B. BEAUMONT, *Secretary.*

BOSTON, OCTOBER 2, 1874.

SIR,

The undersigned, considering the season of the year which requires the greatest promptness in undertaking the work to be done, strongly recommend immediate action in returning your assent.

JOHN M. FORBES,
CHARLES P. BOWDITCH,

Trustees chosen this day.

Assent of the Bondholders to the above arrangement.

The undersigned, holder of bonds of the Chicago, Dubuque and Minnesota Railroad Company and bonds of the Chicago, Clinton and Dubuque Railroad Company, hereby assents to the foregoing plan and agrees to detach and deposit with JOHN M. FORBES, CHARLES P. BOWDITCH and EDWARD W. HOOPER, Trustees, to be held for the purposes proposed, the interest coupons of said bonds up to and including June 1, 1877, whenever the details of the foregoing plan are put into such shape as to be satisfactory to all said Trustees, and when the amount of coupons agreed to be deposited with said Trustees is practically sufficient in the *unanimous* opinion of said Trustees, to prevent any small minority in value from seriously embarrassing the carrying out of the proposed plan by not coming into this arrangement and withholding their coupons; and then and thereupon said Trustees are hereby authorized to act as contemplated by said plan, and to give notice by mail requiring the coupons to be deposited under this agreement.

To

JOHN M. FORBES,
CHARLES P. BOWDITCH,
EDWARD W. HOOPER,

Trustees.

My dear Sir

I am encouraged by
finding that you are content
with the Illustrations submit-
ted to you for the English Edition
of *Booy day up* - I am attending
to all your suggestions. The
Two subjects proposed by you
in your note of Oct^r 4th were al-
ready in the engravers hands along
with at least 150 other engravings.
I am doing my best not to leave
out any subject of importance
or on which you lay stress in your
text.

You refer to ten Inscriptions
already deciphered by Gompertz
Dr W. Schlegelmann Sir

My Editor has only 5 or 6 of these,
which were noticed in the Academy
Can you send me the others as soon
as possible? to include in the Book.

I've read in some of the Papers
that you have at length arrang-
ed your quarrel with the
Turkish Govt. If this be so had
you not better send me the facts
in order to wind up your Auto-
graphical Sketch with them?

I have been at particular pains
to secure a competent Editor for
your Book. I believe I have made
a good choice in Mr Philip Smith
(brother of Smith of the Dictionary)
who is both a first rate classic
& well versed in German. He
has really spared no exertion

to reproduce properly & dispatchly
your original work. The print-
ing of the work is now advancing fast
at the press & is to be presented by me
to the assembled Booksellers of
London on the 13th of Nov (Circā)
I am going to send 500 copies to
America, with all good wishes

Remain my dear Sir
Yours very sincerely
John Murray

Did I mention to you how large
a number of "Whoops" I found in
the Antiquarian Museum of
Edinburgh. They are in Pitts House
bungs, Brock's - but few with
any patterns on them like yours.

Cher monsieur,

Je vous remercie mille fois de votre aimable invitation pour dimanche; malheureusement, il n'est impossible de l'accepter. Je pars dimanche prochain pour Brindisi, via Corfou. Je vais au Pirée dans un instant; mais je compte, à mon retour et vers ^{quatre} heures, aller vous présenter toutes mes excuses et tous mes regrets.

Cent fois, cher monsieur, présenter à Madame Schlieman mes plus respectueux hommages, et agréer pour vous l'expression de mes sentiments les plus distingués et les plus dévoués.

Superficial Good!

[illegible]

jetzt noch nicht geschrieben sein und noch kein
 Schreiben wurde. Als ich mir vor einigen
 Tagen eine die Photographie des Altarbildes
 besah war meine Freude groß & ich hatte
 Mühe die Augen nicht von dem Bild fortzubringen.
 Aber eine Sorge wollte ich mir nicht nehmen ob
 die die Kopie alle noch einmal photographieren
 lassen, denn manche Kopie sind gar sehr ver-
 fälscht und man weiß davon nichts. Aber
 die Terra cotta nach der Natur gefertigt.
 ist ganz anders & keine Photographie?
 Dann man noch einen Blick das alte Bild
 dort im Altar besichtigen? Wie in Berlin ist
 möglich so viel man auf Fragen & Antworten.
 Denn man weiß schon daß die die Kopie mit
 Berlin bringen und daß man sie dann in
 natura haben kann? —

In der Hoffnung daß ich für Ihre Angelegenheit
 durch die Reise nicht behindert werde, und wenn
 ich so früh so viele in der Handlung
 ist die die ganz unternommen ist daß die mich
 weniger Zeit zu verbringen, weil ich schon
 davon seit in Berlin bewilligt haben durch
 veranlassen würde.

Ich verbleibe Ihr, Herr

Mon cher M. Schlimm,
Voici la caisse d'ossements, elle a été
ouverte au Pirée, mais on n'a touché
à rien; le port a coûté 10 fr. et quelques
centimes.

Je vous envoie la lettre de M. Tortet.
prenez en connaissance et vous me
la rendrez quand vous voudrez.

Dans un journal que je joins à
cela, je vous signale un article
relatif aux fouilles de l'Acropolis.
M. l'architecte César Daly a ouvert
une souscription. Vous savez que
chacun peut y participer. Il y
aurait peut-être une bonne
chose à faire, si cela entraînait dans
vos idées; ce serait que vous
fissiez une partie des frais, sans
en rien dire à personne; j'exé-
cuterais ostensiblement le
travail; et, une fois le travail

fini, nous proclamerions votre nom
de tous côtés. Il me semble que
vous avez besoin de faire taire les
attaques raisonnables qui vous
sont faites. Pensez à cela.

A vous bien cordialement

Athen den 20. October 1874

Zuerst Moskauern zu erinnern
ist nach der geschehenen Thatsache noch festzuhalten
dass, auch ungenügend, der Posten nicht
hinreichend schnell eingeleitet werden
ist, auch dass die Anzahl der Hinrich-
tungen sehr gering ist, die noch
Zuerst Moskauern zugetheilt werden
sollten zu befehlen.

Die Anzahl beginnt sich in den
nächsten Tagen das ganze Thema
in der Höhe der Hinrichtungen.

Zurück zu dem Moskauern
die Hinrichtung werden vollkommen
geplant.

Der Minister hat sich sehr

My dear friend -

As Mr Parsons
is unable to write him-
self, owing to an abscess
in the palm of his
right hand, he has
employed me to write
for him, to express
the pleasure that we
both received a few
evenings since in look-
ing over the Photo-
graphs of the localities.

and objects of curiosity
discovered by you on
the site of ancient Troy.

We have always
read with interest the
accounts of your explo-
rations, and were as
much delighted as
you could have been
at your success.

It must be especially
gratifying to you, that
after the large expendi-
ture of money, time, and
labor, that your theo-
ries have proved correct.

and so acknowledged
by the savans of Europe
& America.

We have always regret-
ted that you did not
pay us the promised
visit when you were in
this country, but we do
not despair of seeing you
again, for we hope at no
very distant day to visit
Athens. With kind wishes
from Mr Parsons & my-
self. I am

Sincerely yours.

Mrs Charles Parsons.

Cher Monsieur Bernand

me permettez vous de venir vers 4 1/2 heures
avec deux ingénieurs italiens voir votre collec-
tion d'objets de Santorin et de Thérassia?

L'un d'eux est la main droite de Mr Pietro
Rosa, le Directeur des fouilles de Rome; l'autre
est professeur à l'université de Bologne

Veuillez agréer, Cher Monsieur, l'assurance
de ma très haute considération

REDACTION DER JENAER LITERATURZEITUNG.

399

Jena, den 1 November 1844.

Gefährdeter Herr!

Ich erlaube mir, Ihnen zu schreiben, da ich mich nicht in der Lage, den
nachgefolgten Brief zu schreiben vom 27.
M. übergebenen Artikel des Herrn Dr. Schliemann,
den ich beifolgend Herrn Winter zugehen lassen,
in der Literaturzeitung zum Abdruck zu bringen.
Die Grundsätze, welche bei der Ziffernstellung
gehandelt sind und welche streng zu befolgen
ich verpflichtet bin, wofür ich mich genug
bemühe, für einen einzelnen Fall eine
Ausnahme zu machen, so sehr ich mich
ganzlich geneigt sein würde, wenn zu
Gunsten des Herrn Dr. Schliemann und
mit Rücksicht auf Ihre Sache eine solche
Ausnahme zu statuieren. Der Ruf der
Unabhängigkeit, welcher die Ziffernstellung
jetzt bis auf den Grund zu haben glaubt, würde
durch den Abdruck des Schliemann'schen Artikels
unvermeidlich verloren gehen, wofür ich mich
von Anfang an ausdrücklich zu verantworten bin.

v. f. solch ein, abso wie die vorliegende
 Schliemann'sche, hochwürdigste Person
 der Kritik nicht vorweisen, sondern sich
 nur mit abweisenden Ausrufungen
 und Ousestern, verspottenden Dichtungen
 Epigrammen, Satiren und ungeschicklichen
 Besprechungen v. f. m. befleißigen. Die
 vielen davorstehenden Fragen, welche gerade bei
 einem solchen Werk, wie die Schliemann'sche,
 werden sich für und für herausstellen, die
 Auffassung in einer kritischen Prüfung,
 selbst wenn der Autor sehr vorhanden
 wäre, daß zu einem vollen Theile gleich-
 mäßig befriedigende Resultate erzielt
 werden können. Im Uebrigen wird sich
 Dr. Schliemann wie in Loff. selbst aus-
 sprechen, daß Professor Stark, wie sehr
 auch in Einzelheiten der von ihm Verfasser
 entgegenzusetzen zu müssen geglaubt hat, daß
 der ganze Inhalt der meisten Publikationen
 selbst herausgegeben und verantwortlich ist

Gegenstand zu so vielen neuen
 Entdeckungen von geschickten Gelehrten
 sich dankend sehr gefolgt hat.

Mit dem Ausdruck der herzlichsten
 Empfehlung verbleibt ich

Most honored, learned Sir.

Having received your kind & obliging letter of 27 Sept.
I have communicated its contents to the
Petrov Archeological Commission (which forms
a Section of the Imperial local Statistical
Committee of Petrov) ⁱⁿ of which I had
the honour of occupying the Vice
President's place "pro interim" - & as
now a new Vice Presd. has been
elected & confirmed by the Imperial
Government - in the person of the
Baron de Wrangell - I have resigned
my functions & placed all the
Affairs of the Commission in his hands.
So that I am now only a Honorary
& actual Member of the said
Committee. But as the Members
& Vice Presd. only speak Russian

Doctor H. Schlimann, Athens —

& have not received a very
archaeological education - occupying
their post only by Imperial Order
& therefore considering it more
as ~~the~~ exercise of a Duty & not as
affair of pleasure - they have
placed all their foreign affairs
(so to speak) entirely in my hands.

The Corporation is highly honored
w. Your having kindly condescended
to become a member of this "Infant"
Society - I call it "infant" because
it has been founded only 3 yrs ago
& has not done much - as yet
to ^{elucidate} ~~illustrate~~ its history & antiquities.

of the Ancient Common wealth
of Ptolemy.

We will have much pleasure
in sending you our proceedings
& publications if you will allow
us. They are unfortunately
printed entirely in Russian.

Your kind communications
will be translated & published in
our proceedings. We hope you
will be so very kind as to
let us hear from time to time
of the results of your learned
researches in those classical
countries. I take the liberty of
sending herewith a pamphlet, or
rather the 1st out of a series of
articles I intend publishing.

in England about Pukhoboré Russia.
This one is illustrated w. Greco-
Scythic articles found in the
South of Russia. For this reason
I fancy they will perhaps be of
some interest for You.--

Please excuse me for venturing
to trouble You w. Yr. learned sympathies
w. such a long & uninteresting letter.

Our Society has a pleasant custom
of collecting the portraits of its most
honored Members. Could we hope
to have the honor of possessing a
portrait of our new & most
eminent Honorary Member? The
Society would feel this as a special
favor & would gladly assign it a
reserved Honorary place in its collections.

I will read all the papers You
are so kind as to indicate.

The proceedings of the Turkish Government
has excited a general indignation
among all civilized Russians, but
such proceedings is nothing new, the
Turkish Govt being well known &
understood here.

Would You consent to become
a Member of the Moscow Archeological
Society presided by the Cesarewitsch
& by St. Uvaroff? If so please
have the condescension of letting
me know - the Soc. would be
delighted & much honored to
count You, honored Doctor among
its Members. Ours is but a poor
& insignificant Society compared
with the learned Moscow Society.
The Diploma of our Society will

forwarded to you in due
time. Now I only send you an
official letter for the Society.

Hoping Heaven may grant
success in all your most
useful & learned enterprises

I have the honour
most respectfully & learned
Dedication

to remain

Respectfully Yours

Je vous remercie de l'envoi de la
Musée d'Antiquités de Paris, j'en
ai beaucoup d'être le chef. Vous
avez la mission de me faire
intéressé, j'en ai beaucoup de
nouvelle de vos découvertes,
et combien, parmi tant de
choses qui me y appelaient,
j'en ai immédiatement
fait ressortir l'importance
dans une séance de l'Institut.
Vous pouvez vous être aperçu
que les objets si précieux que
vous avez eu l'honneur de
prix de tant de dépenses et
de fatigues, seraient bien
revenus au Musée d'Antiquités

Monsieur,

Votre précieuse lettre me était
parvenue hier de Paris; les le
lundi de mon retour, j'en ai
lu à l'Académie les prescriptions
de la Mission qui y était renfermée,
et j'en ai prié MM. Delbroux et
Maurice Block d'en donner les
analyses dans le journal officiel,
les Débats et le Temps. Je ne
pourrais pas de communiquer
auprès à l'Académie vos nouvelles
recherches relatives aux y
anciennes représentations de
Mars et de Junon. - N'y
aurait-il pas lieu d'espérer quelque
chose, pour ce qui regarde cette
dernière l'œuvre de recherches faites

à Samos, qui peut-être
 le plus antique objet de son culte?
 Pour ma part, j'ai toujours
 pensé que les Dieux avaient été
 représentés d'abord sous la forme
 des animaux qui plus tard
 l'avaient leur attributs. Je ne
 sais si vous avez la connaissance
 des remarques que j'ai publiées
 dans la Revue archéologique
 sur la Minerve à figure de la
 charrrette.

M. Vivien de St. Martin se
 propose de vous répondre sur
 la question topographique. On
 attachera généralement une
 grande importance aux relevés
 de l'architecte M. Guittet.

présenter à l'Université? Le
 prochain volume de l'Annuaire de
 la Société des Études grecques
 contiendra un travail de M.
 F. Lichthal dirigé aussi contre
 votre topographie ilienne.
 — Or M. Stark avait-il mis les
 opinions que mentionne votre
 dernière lettre?

J'apprends avec satisfaction
 l'issue de votre procès. Vous
 savez, je pense, par M. Demarey,
 qu'il n'a pas tenu à moi que
 vous ne fussiez en temps utile
 la réponse que vous demandiez
 au conseil et aux Juraux; les
 difficultés diplomatiques
 s'y sont opposées, m'a-t-on
 dit. Mais je n'ai espéré pas
 moins que vous conserveriez
 vos intentions généreuses à

Милый, возлюбленный наш!

Уже давно не писал я счастья по-
-лучаешь. Твое письмо, которое
я давно и величайшим нетерпением
-ем ожидаю. Прочитав мое
письмо к Тебе, любезный наш,
писал я под влиянием сильного
чувства и потому, как бы во
увлечении, мог сказать что-либо,
оскорбившее Тебя, поэтому мо-
я на всякий случай считая большою
увинчившею касательно того во
этом письме и еще раз уверить
Тебя во моей неукротимой любви
к Тебе. Любезный наш, по-
-верь мне, что я всегда так же горю
-го Тебя люблю и буду продолжать

заниматься всеми предметами
особенно же математикой и
литературой. Не могу
не мои мысли, занятые и про-
-дукою ежедневно ходящих на
улицы.

Тасов, право, кажется здесь больше
расширен, но сырой. Небо почти
зависимо туманами.

Взявшись с надеждою Тебя
всегда блага и много надежд,
что, впрочем, скорее кончат
от Тебя отъезда, останется

Многочисленные Тебя

Самый Твой

- право также любить как и
 в Июль 1866 года. Я давно
 уже познаю страстность времени
 - ем с Тобой уединенно и
 люблю о том, кто и буду любить
 этого счастья, приводить меня
 в отчаяние; любовь моя одна
 кофь никогда не охладится и, где
 бы я не находилась, всегда оста-
 нусь и вращаюсь моему сердцу — не
 перестанно и любви к Тебе.
 Я всегда и везде буду гордиться
 именем моего отца и всегда буду
 стремиться по крайней мере от-
 - казаться посылать то совер-
 шенство, которое Ты приобрел.
 Да и не говорю тебе, что и в
 прошедшем и Тебе никогда не
 оскорбляла намеренно, ибо в та-
 кового случая Ты бы не сдвинул на.

зывается Твоим самолюбием, и
 великим порядочным человеком без
 сомнения не находил бы на меня во-
 прокинутое. Если же когда либо
 против воли и без умысла я
 Тебя оскорбляю, то прости меня
 это, любящий меня! И впредь
 постараюсь великим заглавить
 эти невольные оскорбления. Силою
 надлежит тебе, что Ты не вырвешь
 моих слов и будешь вно в
 считать меня достойным Твоей
 любви, что для меня будет наи-
 большим радостью и наибольшим
 счастьем.

Очень много пожелания
 дабы Твоим радостям надобно Акро-
 - номом, что весьма интересно
 мне будет просить.
 Милость и все продолжало усердно

Cher Monsieur

J'ai eu beaucoup de difficultés avec votre article, à cause de la façon dont la plupart des journaux avaient pris parti pour la thèse de Vivien de Saint-Martin. Il n'y a pas eu moyen de rien arranger avec le Temps. C'est le Moniteur qui m'a promis de l'insérer, et il y paraîtra bientôt. J'en prends l'insertion par des lettres répétées et j'ai la parole de Dalloz.

Quant à la Gazette des Beaux Arts, j'espère qu'elle va enfin se décider à faire paraître mes deux articles, qu'elle a depuis longtemps. Si vous êtes ici, vous verrez la résistance sourde que l'on trouve un peu partout à traiter cette question breyenne, qui en Angleterre est tant à l'ordre du jour. Il y a un étrange préjugé qui consiste à faire une sorte de question nationale de ne pas revenir sur

Dr. Henry Schliemann.

Dear Sir,

I have received your
letter, containing your renewed
proposal to excavate upon
the site of Troy for the benefit
of the Imperial Ottoman Museum.
Your proposition has been sub-
mitted to Dr. Lethier, who
has promised to give me a
reply as soon as he can con-
sult with the Minister of
Public Instruction. I shall
send you the earliest informa-
tion of the decision.

I sincerely regret that you

have had so much trouble,
and that you have met with
so much hostility from your
scientific colleagues. You must
not forget, however, that the
tone of your book is so warm
and enthusiastic in favor
of your own theory, as natu-
rally to excite opposition from
those who hold different opin-
ions. In fact, you are but
meeting the fate of all dis-
coverers; and you should
content yourself with the
situation, holding by the
God-established faith that
the truth must prevail in
the end, in spite of all

human opposition.

Since I last wrote to you, in
company with the Russian and
the German Ambassadors, I visit-
ed your excavations. I was sorry
that you were not present to
explain all that we saw. Mr.
Frank Calvert accompanied us
over the ground. He spoke very
temperately and justly in illustrat-
ing your theory by the objects
around us, nor did he say one
unfriendly word of you either
as a man or as an explorer. Know-
ing, as I did, the difficulties which
you had formerly had with Mr.
Calvert, I was struck with his conduct;
for although he did not profess to
believe that you had really discovered
the site of Hieru, he praised you

Cher Monsieur Schliemann,

Je reçois ici votre lettre du 25
Octobre dernier, et quand je serai rentré
à Paris le 28 de ce mois, j'enverrai ce
que je puis auprès du Secrétaire perpétuel
M. Watton, qui est chargé de diriger
les travaux de l'Académie. Je ne conçois
pas qu'après l'attagie de M. Vivien de
St Martin, on ne lise pas votre réponse,
surtout si elle est conçue en termes
très-modérés et très-polis.

C'est une exaction que la Turqui-
Commet à votre égard en vous demandant
la moitié de la valeur de votre Collection;
mais il vaut mieux vous épargner de plus
longues tracasseries, et il est sage de
payer même ce qu'on ne doit pas, plutôt

que de prolonger des jours aussi dangereux.

Je présente mes souvenirs respectueux
à Madame Schliemann; et j'embrasse
la jeune Andromaque, qui doit grandir
et fortifier à vue d'œil.

Rappelez-moi aussi, je vous prie, à la
famille Burnouf, à qui j'offre tous mes
vœux. Serez-vous pour dire à M.
Emile que j'ai logé à Alger chez M.
Daly, architecte, avec qui j'ai arrangé
la souscription de l'Acropole.

heureux de vous avoir été agréable

je vous félicite et je félicite
la cour d'appel d'Albi d'avoir réduit
à une question d'argent les prétentions
de ces tures avides des colliers et des
bracelets d'Andromaque dont ils ne soupçonnent

je conçois très bien votre
ressentiment contre notre gouvernement

qui vous laisse dans l'embarras pour
ne pas prononcer un mot qui pouvait
vous en tirer et lui assurer la possession
de vos merveilles : mais cher Monsieur
vous n'avez pas arraché des trésors
à la terre onoucelle depuis 30 siècles
pour les enfouir à nouveau. Or que
vous ayez payé les terres vous avez
acheté votre liberté et que vous ayez
voir vos découvertes briller de tout
leur éclat au grand soleil de la

C'est toujours Paris qui a le mérite
de se passionner pour les respectables
débats de l'antiquité et grâce aux quels
nous reconstituons les civilisations

humanité : c'est à Paris qu'ils sont
appréciés à leur véritable valeur ; c'est
Paris qui fera leur réputation ; c'est
Paris qui portera le coup de trompette
appelant toute l'Europe savante à ce

entre les prétendants, et vous ferez
à chacun ses conditions premières

qu'il ne vous ait pas permis d'oublier
non plus.

Je rappelle de très bons vœux
le jour de votre arrivée pour
vous présenter mes félicitations

Da werden wohl unsere Pflichten über Ökonomie zur Zeit der Rinder (vires aurea) stehen. Ich will Ihnen heute ein kleines Buch meiner Arbeit übergeben, das ich, das Sie die ganze Zeit, wie Ihre Pflichten zu zeigen und Ihre Lektionen zu geben. Carissimo Schlemmer

Mi congratulo con voi pel buon successo della vostra Causa col governo Turco. Quei signori non comprendono il bello delle arti, delle lettere, delle Scienze. E quel che è peggio vogliono scimmiottare i paesi colti e civili. Il Museo Archeologico a Stamboul mi fa l'effetto della Toga e della Parrucca sul corpo di un galeotto - E la miseria delle loro Finanze? Qualmi che la Grecia non trovisi in disastrosi condizioni. Quei grandi nomi che illustrarono l'Ellade, or non trovano eco, e son quasi obliati. Scrivete in Italia, e vi troverete ancor vivo il sacro fuoco delle arti, e delle lettere Latine illeggiate al contatto della prima virtù Ellenica - Noi vi attendiamo in parimente

In mezzo a molte occupazioni pubbliche e domestiche ho trovate un po' di tempo per illustrare - popolarizzandone i pregi - il nostro piccolo Museo Egiziano. E recentemente, ritornando da Parigi, ho ammirato una bella statua di uno scultore a Corin, e ne ho fatto pure una illustrazione. È la Cleopatra giacente, col cestino di fichi, tra' quali videfi la testa dell'aspide. Questa monografia, comechi di soggetto Egiziano, non verrò inopportunitamente dopo la prima. Spero pubblicarla in Dicembre.

A Parigi intesi molto parlare del vostro Museo Etrusco, e si era certo che venisse ad occupare una delle belle Sale del Louvre. Soverrà ciò?

Mi avete scritto di non esser forte ne Latino; io vi cederò quel poco che ne ho per avere in cambio il vostro Greco, al quale son profano. Sono le buone Traduzioni che mi hanno aperte l'uscio della ricchissima letteratura Greca - ma a che valgono le traduzioni a fronte degli Originali?

Anco la storia antica e moderna; ma più la prima che la seconda; e allorchè sarete in Napoli ne faremo il soggetto delle nostre conversazioni. Addio mio carissimo amico - D'accordo di presentare i miei rispetti ossequi e quelli di mia moglie alla vostra Coltissima Consorte, e continuare la vostra benevolenza all'amico

Ἀξιότιμε Κύριε!

Ἡ μὲν τὰς ἱερωτέρως ἐθνικὰς ἀναμνήσεις συνδεομένη κλεινὴ τοῦ Μ. Ἀλεξάνδρου πατρὶς διατελεῖ ἀπὸ μακρῶν ἤδη χρόνων, ἀντιθέτως πρὸς τὴν ἀρχαίαν αὐτῆς αἴγλην καὶ λαμπρότητα, ὑπὸ τὸ σκότος, ὅπερ λαίλαπες καὶ καταιγίδες ἐπεσώρευσαν εἰς τὸν ὠραῖον οὐρανὸν αὐτῆς τε καὶ παντὸς τοῦ Ἑλληνικοῦ. Καίτοι δὲ τὸ ἔδαφος αὐτῆς δὲν ἐφάνη στεῖρον κατὰ τὸ μακρὸν τοῦτο τοῦ χρόνου διάστημα πρὸς παραγωγὴν ἀνδρῶν κλεισάντων διὰ τῶν γραμμάτων τὸ ἔθνος ἡμῶν, ἡ ἰδιωτικὴ ὅμως καὶ μεμερισμένη ἐνέργεια αὐτῶν δὲν ἤρκεσεν ὥπως ἀπαλλάξῃ αὐτὴν τῶν τῆς ἀμαθείας δεινῶν, εἰς ἃ, ὡς μὴ ὄφελεν, ἐξακολουθεῖ κυλινδουμένη. Παρήγορον ὅμως καὶ λίαν παραμυθητικὸν εἶναι, ὅτι ὁ ἀμαθὴς αὐτῆς λαὸς διασώζει τὰς ἠθικὰς ἐκείνας ἀρχάς, αἰτινὲς εἰσι τὰ ἀπαραίτητα στοιχεῖα πρὸς παραγωγὴν πάσης κοινωνίας· διότι διατηρῶν ἀμείωτον τὸ πρὸς τὴν Ὁρθόδοξον ἡμῶν θρησκείαν σέβας καὶ τὴν κατὰ Χριστὸν πολιτείαν πολιτευόμενος, οὐδαμῶς ἀπώλεσε τὸ ἀρχαιοπαράδοτον τῆς πρὸς τὴν Πατρίδα ἀφοσίωσως αἰσθημα, ἔτοιμος ὢν πάντοτε πρὸς πᾶσαν ὑπὲρ αὐτῆς θυσίαν. Καὶ θὰ ἦτο ἀνάγκη νὰ φέρωμεν μάρτυρα τούτου ἀψευδέστατον τὴν ἱστορίαν, εἰ μὴ ὑπῆρχον πρὸ τῶν ὀφθαλμῶν ἡμῶν, ἐκτὸς τῶν ἄλλων ἐν Μακεδονίᾳ Φιλοπαιδευτικῶν σωματείων, ὁ ἐν Σέρροις Σύλλογος, στερρῶ τῷ βήματι χωρῶν πρὸς τὸν σκοπὸν αὐτοῦ, ὅστις εἶναι ἡ κατὰ τὰς ἀνατολικὰς ἐπαρχίας τῆς Μακεδονίας διάδοσις τῶν γραμμάτων, καὶ ἡ Μακεδονικὴ Φιλεκπαιδευτικὴ Ἀδελφότης, αὐτὸ τοῦτο προτιθεμένη διὰ τὰς δυτικάς. Συστᾷσα αὕτη πρὸ τριετίας ἐν Κων/πόλει, καὶ ἀριθμοῦσα ἤδη ὑπὲρ τὰ χίλια μέλη, τοὺς πάντας Μακεδόνας, ἠδυνήθη διὰ τῆς συνδρομῆς αὐτῶν νὰ προβῇ ἀμέσως εἰς ἀνέγερσιν ἐκπαιδευτηρίου, ἐκτάσεως χιλίων ἐξακοσίων πήχεων, ἐν ἐπικαίρῳ θέσει, ἐν Τσοτυλίῳ τῆς Μακεδονίας, ὅπερ ὅμως μόλις κατάρθωσε νὰ ἐπιστεγασῇ δι' ὧν εἶχε χρηματικῶν μέσων· συνέστησε δὲ καὶ διατηρεῖ ἰδίαις δαπάναις ἐν ἰδιωτικῇ τινι οἰκίᾳ Σχολὴν Δημοτικὴν καὶ Ἑλληνικὴν, μέχρι Γυμνασίου προαχθεῖσαν ἤδη, ἐν ᾗ φοιτῶσι περὶ τοὺς ἑκατὸν πεντήκοντα μαθητάς, ἄθροοι δὲ καὶ ἄλλοι συρρέουσι καθ' ἑκάστην ἐκ τῶν πέριξ χωρίων, πρὸς οὓς ἡδύνατο ν' ἀνοίξῃ τὰς πύλας αὐτοῦ τὸ ἀρκούντως εὐμέγεθες τοῦτο καθίδρυμα, εἰ δὲν ἐσπερείτο εἰσεῖναι τοῦ ἀναγκαίου καταρτισμοῦ, ὃν ἀδυνατεῖ ν' ἀναλάβῃ ἡ Ἀδελφότης, τό γε νῦν ἔχον, δαπάνῃς ἀπάσας αὐτῆς τὰς προσόδους εἰς μισθοδοσίαν διδασκάλων, ὑποτροφίαν ἱκανῶν μαθητῶν καὶ ὅσα ἄλλα συνεπάγεται ἡ ἀξιοπρεπὴς τοῦ Σχολείου συντήρησις. Ἐκτὸς δὲ τούτου θεωρήσασα ὡς ἐν τῶν κατεπειγόντων αὐτῆς ἔργων, ἵνα καὶ ἐν τῇ ἐδρεύει πόλει συντελέσῃ πρὸς διάδοσιν τῶν στοιχειωδῶν γνώσεων εἰς τὰς τάξεις τοῦ ἐργατικοῦ λαοῦ, συνέστησεν ἐν Κωνσταντινουπόλει ἀπὸ ἐνὸς ἤδη ἔτους ΚΥΡΙΑΚΟΝ ΣΧΟΛΕΙΟΝ ΤΟΥ ΛΑΟΥ, ἔνθα προσῆλθόν μέχρι τοῦδε ὑπὲρ τοὺς τετρακοσίους μαθητάς, πρὸς οὓς ἡ Ἀδελφότης χορηγεῖ βιβλία καὶ τᾶλλα χρειώδη, κατὰ Κυριακὴν τακτικῶς φοιτῶντας μετ' ἀμέτρου ζήλου καὶ προθυμίας, καὶ διδασκομένους γνώσεις πρακτικὰς καὶ λίαν χρήσιμους εἰς τὰς τέχνας καὶ ἐπιχειρήσεις αὐτῶν. Ἀλλ' ἀμφοτέρω τὰυτα εἰσὶν ἔργα Ἡράκλεια, ἅτινα ὅσῳ μᾶλλον χρῆζονται τελειοποιήσεως καὶ παραγωγῆς, ὅπως εὐάρεστα ἔχουσιν ἀποτελέσματα, τοσοῦτον ἡ Ἀδελφότης ἡμῶν ἱλιγγιᾷ ἀπέναντι αὐτῶν, φοβουμένη μήπως ἀνεπαρκεῖς φανῶσιν οἱ ἑαυτῆς πόροι πρὸς ἐξακολουθήσιν καὶ συμπλήρωσιν αὐτῶν. Τὸ ἐν Τσοτυλίῳ Γυμνάσιον ἤρξατο ἤδη παρουσιάζειν τὴν σπουδαίαν ἀνάγκην τοῦ ἐντελοῦς καταρτισμοῦ καὶ τῆς συμπληρώσεως, ὅπως προχῇ ἀφθονα τὰ νάματα τῆς παιδείας πρὸς τοὺς διψῶντας αὐτῆς παῖδας. Ἡ ἐν τῷ ἰδίῳ δὲ καταστήματι προσθήκη Πολυτεχνείου εἶναι ἔργον προφανὲς ἔχον τὰ λίαν πρακτικὰ καὶ σκόπιμα αὐτοῦ ἀποτελέσματα. Ἀλλὰ καὶ τὸ Κυριακὸν Σχολεῖον τοῦ Λαοῦ ἔχει βεβαίως ἀνάγκην ἰδίου ἰδρύματος, ἀρμοδίως καὶ ἐπικαίρως ὠκοδομημένου, δι' οὗ καὶ μόνου καθίσταται βεβαία ἡ μονιμοποίησις καὶ ἐξασφάλισις αὐτοῦ, φιλοξενουμένου ἄχρι τοῦ νῦν ἐν Σχολείῳ ἐνορίας τινὸς, οὐδὲ τῆς προσήκουσας εὐρύτητος εὐμοιροῦντι, οὐδὲ τῶν ἄλλων ἀπαραιτήτων πρὸς τοῦτο ἐφοδίων. Δὲν ἀπαριθμοῦμεν τὰς λοιπὰς πολυεπεὶς ἀνάγκας, ἃς ἐκ τῶν ἐγγύς ἐρευνῶντες καὶ πρὸς τὸν ὑψηλὸν τῆς Ἀδελφότητος σκοπὸν ἀποβλέποντες, θεωροῦμεν κατεπειγούσας καὶ ἀπαραιτήτους. Ὁ Κανονισμὸς, ὃν ἐπισυνάπτομεν ὧδε, παρέχει πως ἰδέαν τινὰ περὶ τούτου.

Ὅθεν τὸ Προεδρεῖον τῆς Ἀδελφότητος μετὰ τοῦ Διοικητικοῦ αὐτῆς Συμβουλίου, ἐν τῇ συντόνῳ αὐτῶν μερίμνῃ καὶ μελέτῃ περὶ ἐξευρέσεως πόρων πρὸς ταχύτεραν θεραπείαν τῶν πολυειδῶν τούτων ἀναγκῶν, καὶ ἐν τῇ παντελείᾳ αὐτῶν περὶ τούτου ἀμνημονία, ἐγνώσαν ἵνα καταφύγωσι πρὸς τὴν γενναϊόδωρον δεξιάν των ἐν τῇ ἐσπερίᾳ Εὐρώπῃ ὁμογενῶν, ἐν οἷς σπουδαίαν, φιλογενέστατε ἄνερ, κατέχευε θέσιν, καὶ ἐπικαλεσθῶσι τὴν γενναίαν αὐτῶν ἀρωγὴν, δι' ἧς καὶ μόνης τὰ μεγάλα ἔργα, ἀφ' ὧν ἤρξατο καὶ πρὸς ᾧ βαίνει ἡ ἡμετέρα Ἀδελφότης, πραγματοποιοῦνται, ἐξασφαλιζονται καὶ προάγονται ἀναντιρρήτως.

Πρὸς ὑμᾶς, λοιπὸν, Φιλογενέστατε, τείνουσι καὶ χεῖρα καὶ νοῦν καὶ καρδίαν χιλιάδες ὅλαι ἀνθρωπίνων πλῃσμάτων, καὶ παρ' ὑμῶν ἀπεκδέχονται τὴν διάλυσιν τοῦ βαθέος ζόφου, ὅστις πρὸ ἀμνημονεύτων ἤδη χρόνων πρόκειται τῶν ὀφθαλμῶν αὐτῶν καὶ ἐπισκοτίζει τὴν διάνοιαν, ἀδύνατον οὕτως καθισταμένην εἰς τὴν κατανόησιν τοῦ ἀληθοῦς τοῦ ἀνθρώπου προορισμοῦ. Ναί, μεγάτιμε Κύριε, τὴν ἀνάπτυξιν τῆς διανοίας καὶ τὴν μόρφωσιν τῆς καρδίας, τῶν πολυτίμων τούτων τοῦ Ὑψίστου πρὸς τὸν ἀνθρώπον δώρων, ἐπαγγέλλεται ἡ ὑμετέρα συνδρομή. Πρόκειται νὰ συνεχίσῃτε καὶ ἐπιστεγάσῃτε τὸ ἠθικὸν οἰκοδόμημα, οὗ τινος τὰς βάσεις ἔθετο ἡ ἡμετέρα Ἀδελφότης, πρὸς τὸ κοινὸν ἀφορῶσα συμφέρον. Ἐσμὲν δὲ βέβαιοι, ὅτι πρὸς ἄνδρα, πολλὰ καὶ πολλὰκις εὐεργετήσαντα τὸ ἔθνος ἡμῶν, ἀποτεινομένη σπουδαία μερὶς τοῦ ἔθνους τούτου δὲν θέλει ἀστοχῆσαι.

Διὸ καὶ ἡ πνευματικὴ ἡμῶν τροφὸς καὶ μήτηρ Ἐκκλησία, τοὺς ἀγωνὰς τῆς Ἀδελφότητος ἡμῶν εὐλογούσα καὶ ἐνισχύουσα, ἐξέδοτο τὸ ἐπισυνημμένον Πατριαρχικὸν γράμμα, ἐπικυροῦν τὸ γνήσιον καὶ δίκαιον τῆς αἰτήσεως ἡμῶν.

My dear Sir

2/14 november

I send you by the bearer the numbers 93, 130 and 131 of the *Leatening* and I ask your pardon for having delayed their returning.

The Turkish Government has intercepted the publication of the *Phare de Bosphore*. I wait the mail of to-day for being informed of what has become of your correspondence. I am told it will begin again this week. If you address your article "to the direction of the *Phare de Bosphore*" it will be received certainly; or else send it to me and I shall take care of its sending by the mail of tomorrow.

I suppose that we will receive an answering by M^r Fatiadis, who is coming.

Yours faithfully

Monsieur,

Mon père ayant été obligé de
sortir, n'a pu vous répondre et
m'en a chargée.

J'ai cherché avec le bibliothécaire
l'article que vous désirez, mais
nos recherches n'ont pas eu le
succès que j'en espérais. Il y a
dans les Revue archéologiques de
1874 plusieurs articles touchant
votre collection; mais rien de
M. Ravaisson, et rien concernant
S. Abdur Tharaways. Je regrette
de ne pouvoir vous envoyer
cet article; quand mon père
rentre il répondra à votre
lettre et peut-être sera-t-il
plus heureux et plus habile
que moi au sujet de la Revue.

Herrn

Unserer Gewohnheit gemäss erlauben wir uns Ihnen auch in diesem Jahre einige Mittheilungen über unsere Weinlese zu machen.

Dieselbe ist unter dem günstigsten Wetter verlaufen und das geerntete Quantum grösser als ein Durchschnitts Ertrag. Die Producenten sind somit für die vorjährige, durch den Frost verursachte Miss-Ernte in etwas entschädigt worden.

Kaum war der junge Wein auf Fässer gebracht, als sich hier eine sehr günstige Meinung über die Qualität desselben allgemein kundgab und bald eine fieberhafte Kauflust ausbrach.

Jedermann wollte von dem Cometen Wein von 1874 und in Zeit von wenigen Wochen wurden für nahezu 46 Millionen Franken kleine und hoch classirte Rothweine

W. S. G. 26.

zu steigenden Preisen auf dem Lande aufgekauft. Der höchst bezahlte Preis ist der für Château Lafite angelegt, nämlich 5500 Franken per tonneau, pari mit 1375 Franken per Cask erste Kosten.

Das Ausland hat an dieser Käuf Lust theilgenommen und bereits bedeutende Aufträge hierher gelegt. Der Bedarf ist überall ein grosser, da in den letzten 2 Jahren in Folge der Miss. Ernten weniger exportirt worden als gewöhnlich, dagegen der Consum von Bordeaux Weinen in stetem Zunehmen begriffen ist.

Von alten fertigen Rothweinen empfehlen wir vor Allem die schönen, milden 1869 er und die etwas kräftigeren 1870 er Gewächse.

Die 1864 er, welche das nec plus ultra von feinen Flaschen Weinen sind, gehen jetzt rapide zu Ende.

Unser Weisswein District (Sauternes, Barsac &c.) hat endlich in diesem Jahre nach vielen anhaltenden schlechten Ernten eine anscheinend schöne Lese gemacht.

Wir empfehlen uns Ihnen

mit vorzüglicher Hochachtung

Mon cher monsieur Schliemann,
 Votre lettre à M. Ravaisson est très
 bonne et très concluante; elle ne laissera
 aucun doute dans les esprits sincères.

Votre article dans l'Academy est
 tel que vous deviez le faire pour défendre
 votre honneur.

Soyez sûr que peu à peu tout le
 monde se rendra à la vérité; et
 que si jamais votre collection est
 installée dans un musée européen,
 tous les savants en apprécieront
 l'importance et se rangeront
 de votre côté. Tout ce que j'ai
 dit dans mon article de la Revue
 des deux mondes passera dans la
 Science.

à vous cordialement

à Monsieur H. Schumann

Monsieur,

J'ai pu confirmer ma dernière lettre qui accompagnait
mes comptes & j'ai l'honneur de vous adresser
ci-joint de vos deux lettres des 5 & 15 novembre
courant :

J'ai fait parvenir votre lettre à Monsieur
Enormant & je tiens les 500 fr. à sa disposition ;
mais il est toujours en province où il fait
biter dit-on ; il doit revenir dans une
dizaine de jours & je suis obligé d'attendre.

Entre les rentes 5 p. 100 & les actions de
la Banque de France je ne fais aucune
différence comme sûreté ; mais je préfère
la rente dans le cas où le cours ne varie pas.
Sans peur, sans crainte & me semble
prendre de ces deux valeurs ?

Je suis désolé comme vous
que votre article ne paraisse
pas & je n'y puis malheureusement
rien, sans quoi j'agissais. Il faut
bien espérer que Monsieur Lemaire
va se décider enfin à revenir
& qu'il s'empressera de vous
donner satisfaction.

Et Veuillez agréer, Je vous prie,

Monsieur,

Le assure avec assurance de
tout mon dévouement,

par votre lettre du 19 gbre courant
vous me demandiez si après avoir payé

si le gouvernement Bure reçoit l'indemnité

Je suppose que le Gouvernement

l'indemnité, je vous dirai encore ;
hâtez vous de faire fixer l'indemnité
puis versez l'argent le montant au

vos offres par le Tribunal, et à

My dear Sir.

I return Dr. Schleiermacher's

letter along with this note and I am much indebted to you for saving me from the perilous task of condensing it.

If you happen to be writing to Dr. S. would you do me the further favour of disabusing his mind of the idea that we do not admit replies to articles which have appeared in the Journal?

I am always ready to admit answers as

to matters of fact, not only when the articles are such as we do not hold ourselves responsible for, like that of Prof. Comins, but when they are unsigned, and express the opinions of the paper. I merely stipulate that the answers should be sent within a reasonable time after the appearance of the article & should not be longer than the article, if possible.

Faithfully yours
