This architectural floor plan shows a rectangular room with a central column. To the left of the column is a staircase with a series of steps leading up. The room is enclosed by a wall with a decorative border. The central column has a circular base. The plan is drawn with solid lines for walls and columns, and dashed lines for the staircase and decorative elements.

Phaeopus or A. Parryi

The text in this block is extremely faint and illegible, appearing to be a continuation of the handwritten notes from the previous block. It contains several lines of cursive script, but the characters are too light to transcribe accurately.

Handwritten text in a cursive script, likely a description or explanation of the diagram above. The text is written in a dark ink and is somewhat difficult to read due to the cursive style.

Handwritten text in a cursive script, continuing the description or explanation of the diagram. The text is written in a dark ink and is somewhat difficult to read due to the cursive style.

Handwritten text in a cursive script, likely a description or explanation of the diagram. The text is written in a dark ink and is somewhat difficult to read due to the cursive style.

Thos' Spooner

Thos' Spooner's design for a new style of building is a simple and elegant one. It is a two-story house with a gabled roof and a central entrance. The design is simple and elegant, and it is a good example of the author's skill in architecture.

The design is a two-story house with a gabled roof and a central entrance. The design is simple and elegant, and it is a good example of the author's skill in architecture. The design is a two-story house with a gabled roof and a central entrance.

The design is a two-story house with a gabled roof and a central entrance. The design is simple and elegant, and it is a good example of the author's skill in architecture. The design is a two-story house with a gabled roof and a central entrance.

The design is a two-story house with a gabled roof and a central entrance. The design is simple and elegant, and it is a good example of the author's skill in architecture. The design is a two-story house with a gabled roof and a central entrance.

The design is a two-story house with a gabled roof and a central entrance. The design is simple and elegant, and it is a good example of the author's skill in architecture. The design is a two-story house with a gabled roof and a central entrance.

The design is a two-story house with a gabled roof and a central entrance. The design is simple and elegant, and it is a good example of the author's skill in architecture. The design is a two-story house with a gabled roof and a central entrance.

The design is a two-story house with a gabled roof and a central entrance. The design is simple and elegant, and it is a good example of the author's skill in architecture. The design is a two-story house with a gabled roof and a central entrance.

The design is a two-story house with a gabled roof and a central entrance. The design is simple and elegant, and it is a good example of the author's skill in architecture. The design is a two-story house with a gabled roof and a central entrance.

The design is a two-story house with a gabled roof and a central entrance. The design is simple and elegant, and it is a good example of the author's skill in architecture. The design is a two-story house with a gabled roof and a central entrance.

Staircase

The first floor is a large hall with a central staircase. The staircase is a double flight, with the upper flight leading to the second floor and the lower flight leading to the ground floor. The hall is divided into several rooms, including a large room on the left, a smaller room on the right, and a central room. The rooms are connected by a central corridor. The plan is divided into sections labeled (2), (2'), and (2'').

The second floor is a large hall with a central staircase. The staircase is a double flight, with the upper flight leading to the third floor and the lower flight leading to the second floor. The hall is divided into several rooms, including a large room on the left, a smaller room on the right, and a central room. The rooms are connected by a central corridor. The plan is divided into sections labeled (2), (2'), and (2'').

The third floor is a large hall with a central staircase. The staircase is a double flight, with the upper flight leading to the fourth floor and the lower flight leading to the third floor. The hall is divided into several rooms, including a large room on the left, a smaller room on the right, and a central room. The rooms are connected by a central corridor. The plan is divided into sections labeled (2), (2'), and (2'').
