Rolls 527 Koan  
528 Koan  
~~529~~ Koan  
531 Koan

~~Test~~

This order, which MAF  
promised to carry out  
soon after I left - Jan.,  
was never done, so  
the AEP could not  
work fully on the Koan  
platforms, and had to do  
jobs of less priority

## KOAN

Filing of suppl. prints of ABC Koan  
(brought back by Mr. Benatti in 1960-61)

These prints have been filed in film order, and  
beside them have been set the Kartoula file of ABC  
Koan.

Mary Immerwahr is getting these prints into  
alphabetical order, by running carefully through the  
Kartoula file, beginning at the back end, and where  
a contact is on a kartoula, she finds the enlargement  
and puts it in, appended. When there is a contact,  
and no enlargement, she appends the kartoula.

She has reached into Expansion, working toward  
the beginning of the alphabet. There are quite a lot of  
kartoulas turned up. It seems that certain whole rolls  
of Koan stamp photos are missing from the date  
we know, & art: Rolls ~~332, 340, 328, 334, 345,~~  
<sup>front</sup> 342.

Single item missing: 330.18

When the prints are all in the file, give it ~~Koan~~ <sup>Kartoula</sup> &  
put it in the regular Koan photo file, which is  
alphabetical.
