Finished typing this today. Need to discuss:

- 1) Omit refs to "new" names? ^{Yes} (At beginning, (830), (872), (898))
- 2) (855) Publication ref. (EAD 27 E 240 + pl. 61) should be on file card? ^{it is already in blue pencil MET}
 Where is Tenos A 34 rubbing (does it help with the reading?) ^{on map 2022}
 Style of references to double stamping: I followed (48), (25A), (114) etc.
 for this - see note on (444) where a special explanation is given. OK?
- 3) (857) and (858) Is the order OK?
- 4) (872) Should the OS at the end also have dots under them? ✓
- 5) (873) Reading OK (or ??) ^{simply - Reference to (371) Also check if reader 371 we refer to 873 MET}
- 6) (882) Do we want to include Corinth example? How many Nikandros/
 Koan ties do we have ((60) - any others?)
- 7) (883) Omitted "For a similar type... etc." OK? ^{NO - we refer to a similar type}
- 8) Contexts: (856) Miletos? ^{we have an Agora context for the word}
 (908) Tigani: should write to someone (Börker?) to ask if the
 Zisterne is mentioned in a publication, and about
 the date of the inscription: who dates it? was it
 in an upper level of the well? ^{Just} ~~use~~ use the
 amphora dates V6 has given? (send him text to see
 if they approve?)
 7 ^{La Braunda}
 (876) ^{habranda} - I do not think ~~there~~ is given a useful date ^{MET}
